

K-STATE

REU

ARE YOU INTERESTED IN GAINING RESEARCH EXPERIENCE IN PHYSICS WHILE GETTING PAID THIS SUMMER?

Spend 10 weeks this summer performing research in the Physics Department at Kansas State University while earning a stipend of \$5450, a travel allowance of up to \$750 and on-campus housing and meals.

RESEARCH PROJECTS

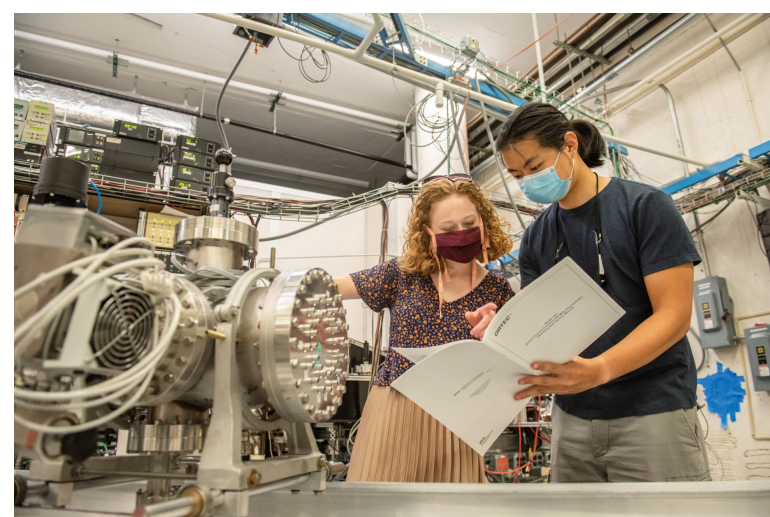

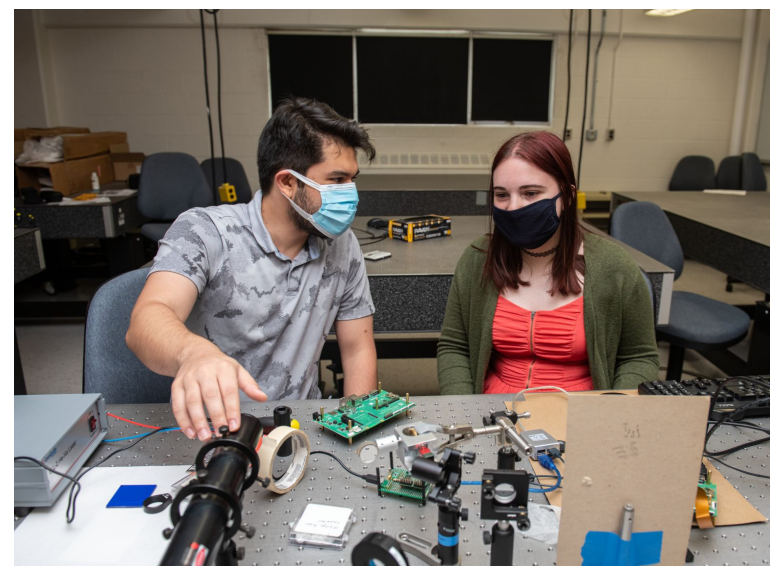

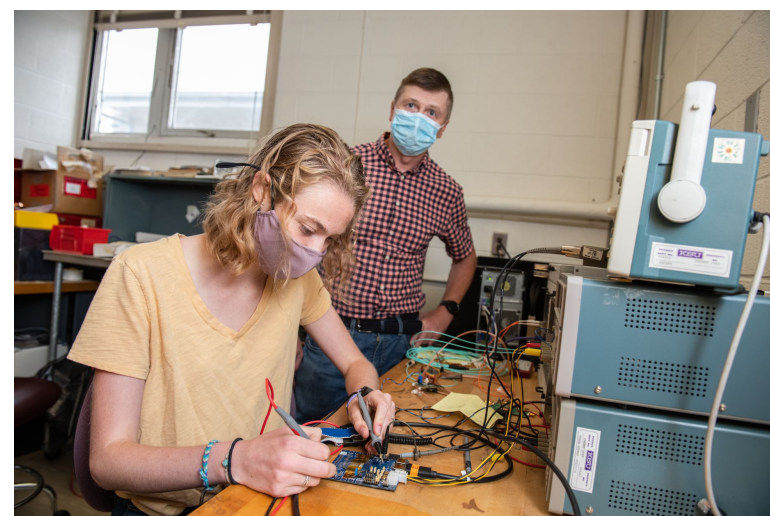

- cosmology
- ultrafast lasers and attosecond physics
- nanoscale materials
- high energy and neutrino physics
- biological physics
- physics education

APPLICATIONS DUE FEBRUARY 18

You'll need the following information when completing your application.

- name and email of reference
- current cumulative GPA
- copy of most recent transcripts
- short diversity statement
- brief personal statement

APPLY ONLINE AT WWW.PHYS.KSU.EDU/REU
