

Template for
Annual Report of Faculty Activities
for the Calendar Year 2023

Due in a form that can be posted on the Web on January 29, 2024

Please submit your evaluation information as both PDF and Word (or equivalent) files.

According to the faculty evaluation procedures adopted by the department any of the information supplied by each faculty member may either be designated as private information for the Department Head *only* or as information to be placed on the Department's secure Web.

Information in this document will be available to other faculty on the Department's secure Web site. Only other faculty members will have access to the document.

Submit any information which is for the Department Head only in a separate file which is sent as an e-mail attachment.

Name:
